

To: All CalRamic Technologies LLC Clients

Re: California Prop65 Warning

Dated: August 21,2024

To Whom It May Concern:

CalRamic Technologies takes seriously the safety of its customers and its impact on the environment. The State of California requires all manufacturers who sell their products in California to disclose whether they contain chemicals known to the State of California to cause cancer or reproductive toxicity when inhaled, digested, or ingested at certain levels.

Accordingly, to comply with the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Prop 65) we are sharing this warning with residents of California:

**WARNING:** This product contains Antimony Trioxide, which is on the State of California's Proposition 65 list because it is claimed to cause cancer under certain exposures.
